Hello Steve,

We have not met but I am the customer service manager at SUEZ/Ozonia, the manufacturer of your O3 units at Colorado Springs.

I received your contact info from Chris Turner here at the Leonia, NJ office.

Next Monday I am going to visit with the treatment plant that uses our UV equipment at Colorado Springs. I thought I might stop into the WTP to introduce myself and see how things are going with the ozone system.

Please let me know if you have time Monday, February 5th in the afternoon. Thank you.

Dan Pence
